HELPING OTHERS!

Legislator Tom Cilmi recently praised two Islip brothers, Christopher and Gunnar Skurka, who spent their Spring break volunteering in Costa Rica.

The boys, along with other volunteers from the United States, helped renovate the Escuela de Pueblo Nuevo School in Jaco Beach, which received an exterior and interior paint job, a new kitchen stove and other kitchen equipment.

Cilmi said, "It's great to see young people sacrificing their time to help others. It's that spirit of giving that helps make our community great and certainly makes me very proud."
